IN THE SPECIFICATION

Please amend the specification as follows:

Page 10, after line <sup>13</sup> ~~16~~, add the following text:

- U.S. serial no. 09/062,364 (attorney docket PHA 23,387) filed 4/17/98, and now allowed, for Sung Choi and Jan van Ee for GRAPHICAL USER INTERFACE TOUCH SCREEN WITH AUTO ZOOM FEATURE.

This document relates to a graphical user interface (GUI) touch screen for displaying a user-controllable function of an electronic device. The GUI comprises means for displaying the function as an icon. The function corresponds to a plurality of user-selectable features. The icon is displayed with the plurality of the user-selectable features at a first scale size. The GUI has means for displaying a subset of the displayed features at a second scale size that is larger than the first scale size, upon a user touching an area of the icon. This
